Hot Dog

I was sitting
in a booth
sipping
coffee when
it happened

I'm the night manager of a fast food drive-in that specializes in hotdogs. The company doesn't pay much, so most of my help is usually teenagers, mostly girls.

A few of the girls are real hot-ties. They don't seem to know the meaning of underwear. I'm not complaining. I love to watch the ripe tits bounce around while they work and I suspect that it is one of the main reasons many of our customers come here.

Until Norma came to work, I was able to keep the place very businesslike. Oh, I never missed a chance to let my dick brush a cute little ass when I had to pass one of the girls behind the cramped counter, but they still treated me like the boss.

Norma was different. She

oozed sex from every opening—and knew it. She was fully aware of her effect on men and used it to her advantage. No customer ever complained that she was slow. She made sure that every guy who came to the counter left with a hard-on. My business boomed. Her favorite trick was to bend over and flash her pantyless ass at anyone willing to look.

Still, nothing would've happened between the two of us if I hadn't caught her making a special meal for one of her many boy-friends.

It happened one rainy night. I had let all of the other help except Norma and one other girl go early. I spent most of the evening watching Norma's sweet ass bounce around while she cleaned and polished the equipment and waited on the occasional customer. The other girl was back in the kitchen spit-shining it.

I was sitting in a booth, sipping coffee, when it happened. A car pulled up to the drive-in window. Norma practically leaned out the window to take the guy's order. I figured she was giving him a great view of her big boobs. I didn't mind, because the position made her skirt ride up over the bare cheeks of her beautiful ass.

As soon as she took his order, she turned to the counter to assemble it. She split the bun, spread the mustard and reached for a hotdog. I couldn't believe my eyes. Instead of putting it on the bun, she shoved it between her legs. I couldn't see, but I knew where she was putting it.

My dick jumped to attention. As soon as she pulled the hotdog from her pussy and served the order, I signaled her to come over to where I was sitting. There was no way I could stand with my prick ready to burst from my zipper.

"What was that?" I asked, trying to sound stern, but failing miserably. My voice cracked, I

couldn't get sex off of my mind.

"Maybe I should show you," she said, with a mischievous twinkle in her eyes. She practically ran over to the counter, grabbed a hotdog, shoved it between her legs and returned. She lifted her skirt and nearly blew my mind. We were in back of the store; no one could tell that she was standing there with her skirt up and her wet, pink pussy in plain sight.

I shot off in my pants without even touching my twitching prick. Norma explained that it was called her hotdog surprise. The boys paid a dollar extra for the special sauce. She admitted that she kept the extra buck, but insisted that her special was the main reason that business had been so good.

The boss would fire me if he found out, but I haven't stopped Norma's sideline. I just can't.

PINK MONDAY

My husband and I have discovered a great way to cope with the start of the work week. We simply turn Blue Monday around by putting it in the pink.

Rick has to get up at six thirty for work. We set the alarm an hour earlier than we have to get up so we can ease into the day by sliding into each other. Rick's body is always warm from sleep and as he gradually awakens, I start turning on myself. Frigging myself gets me nice and wet, enabling us to get right into the fun.

I'll plunge two and then three fingers inside my pussy until my fingertips are hot and sticky. I then tease Rick, moving my wet fingers close to his nose and whispering "good morning." His eyes light up immediately and his thick dick rises beautifully and majestically. He'll lick my fingers and then turn to me, wedging his tongue between my teeth and swirling it around my hungry mouth.

I love that sleepy taste on his breath as I pull him atop me. Rick's very hairy all over and his muscled chest crushes my boobs with steady pressure. I lick his chest hair and suck on his nipples. Too many women sadly ignore a man's chest and that's a real waste. If my husband is any indicator, a careful caressing touch and tongue job will turn any man into an animal.

Not that Rick really needs much prodding! When I feel his hot, throbbing shaft squeezing between my thighs, I part my legs and grab hold of his dick. Together, with his hand over mine, we'll rub his bulbous cockhead back and forth over my clit. "It feels so good!" I tell him, voicing my rising pleasure. He picks up on that and dives between my fleshy thighs to work on me with his mouth.

Rick has a large, thick mustache, a sexy one like Tom Selleck.

I love when he works on me down there and look forward to a frantic mustache ride. He'll grab my firm cheeks and literally rock my whole body up and down his lips, tongue and moustache.

As much as I love his big cock pumping hard inside me, he can create similar, if not greater, pleasure by oral loving. When the juices start flowing, I howl for him to really do it hard. Rick then fucks me with his tongue, making me squirm and writhe beneath his face until the soupy sensation boils and boils inside my cunt.

After climaxing that way, I'll guide his cock to my widened hole. Locking my thin legs around him, I hold on for dear life as Rick fucks me frantically, making me cum again and again. After a long restful night of sleep, his strength and stamina are at their peak and he always gets us off together with his powerful prick.

When his cum washes my insides, I give him one last teasing hump to let him know how happy I am. When he withdraws, I'll dig two fingers inside myself and swirl the liquidy climax, even tasting our hot stuff before getting out of bed and dressing for work.

I know some people would rather sleep that extra hour, especially on a dreary Monday morning. But Rick and I believe that a lasting fuck can do wonders for the start of the week. We heartily recommend it.

HAND JOBBING

Hi there, my name is Ron and I'm a thirty year old student going to night classes at the nearby community college. The pandemic made me lose my job, so I've

been trying to reinvent myself. So now I'm in night school in a finance class. The class meets at 7 pm and was pretty small. There were about ten of us total, so everyone got to know one another. And that is when I met Carole. She was about 36 years old but still had her looks and brains. She had recently lost her job and was looking to find another way to make a living.

Three weeks into the course I still had not really spoken to her. One night she walked into class late with high-heels and a tight little black dress. I almost came right there and fantasized about her the rest of the class. In the next class we somehow began talking and shared stories about our past jobs and past spouses. Over the next few days we kept chatting in class, on breaks, and after class.

She eventually told me she was married, but her husband was very boring and she even cheated on him two years ago. I didn't know if that was a cue but I let it drop, for the moment.

Then, one Wednesday night I asked her if she would consider going for drinks with me after class. She quickly told me that she would love to go. I asked her about her husband, and she told me that he would be back in a month, so now is best.

We were sitting at the restaurant bar. We each had three drinks in us and began going on about pretty much everything. She began massaging and rubbing my back lightly as we talked. She rubbed her hands against my arms and gently began brushing her finger tips against my hair and neck. This turned me on and I wasted no time in gently returning the favor. I positioned myself to be able to look her in the eyes when she gave me a light smile and moved her lips in my direction. Our lips touched slowly and we began making out. I suggested we go out to the car and quickly left the bar.

She told me that we could not have sex. She promised her husband. But she knew how excited I was and she would gladly jerk me off. I leaned against the car and she unzipped my pants. She leaned into me and pulled out my throbbing cock. I felt the coolness of the air and the warmth of her hand. She deftly moved her hand up and down my cock, tightening at just the right time and playing with the head on every other stroke. I pulled my balls out and she began rubbing and pinching them. I threw my head back and let my groin take it all in. I came right there and watched as the squirt landed six feet away. After, I promised to return the favor.

Which sexy, redheaded All-American girl wants to fulfill her fantasy of fucking a big dick stranger during Spring Break. Why, it's Marie McCray, our favorite fire-haired, ivory skinned, pig-tailed beauty, of course. After a stroll down Ocean Boulevard, she finds her stud du jour. Back at her room she quickly drops to her knees, ravenously sucking his bigger-than-the-average male college student's cock with the all-consuming passion of an obsessive sex freak.

***I CAN TAKE IT
IF HE GIVES IT***

Now aroused, her stud goes to town on her carefully coiffed pussy before she sits on him and gives a big "I'm being fucked for the camera" smile. He then slams her hungry, ginger honey pot onto his rock hard cock with unbridled lust. Whew!

Even from a few years ago, Riley Reid had the hots for her big Viking-looking neighbor, Eric. But she never had an opportunity to tell him or show him until that one fateful day when he was tutoring her. After they were done, she said one of her extracurricular assignments was to do an in-depth biology lesson for extra credit.

YOU CUTE LITTLE TEASE

She started teasing him and dropped as many hints as possible until he finally got it. And then he gave it to her: in her mouth, in her pussy, and in tiny, tight, perfect rosebud of a butt hole. Riley, that's exactly what you get for your flirtatious spirit and damn cute smile!

Our Valentina thinks it's time to replace her red plastic dildo butt plug with something a bit more fleshy. She says she's never been photographed in a situation like this before. Letting someone take pictures of her when she has a

dildo or cock in her ass is something totally new. But she's an adventurous gal, and besides, she admits that she loves having her butt filled. It was obvious that she was nervous for this shoot, almost shaking on the bed. But by the time the video was done shooting, she was feeling really good. And so was her partner!

Riding Robyn

*A horny divorcee gives a young dude
the ultimate sex lesson*

I met Robyn when I was 18 and she was 34. Her daughter Myra was the same age, and attended the same school I did; only she studied dancing and took drama. The girl told me her mother was divorced six years. As I watched her wait for Myra to finish her class, I wondered why anyone would want to split with a beauty like her.

As she slipped out of her big, bulky coat, I noticed her big tits strain at the wool of her knitted dress. When she turned to put the coat on a chair, she leaned over and two lush cheeks were momentarily outlined in the wool. I stared as the crack of her ass suddenly made a channel through the green wool.

As Robyn turned, she saw my eyes focused below her hips. Looking up quickly, I saw her smile with a heavily lipsticked mouth.

"Hi, there! What's your name?"

I looked around like a jerk, thinking she was talking to someone else. She pointed to me and we both laughed. It was easy to get friendly with her after that. In just a few weeks I began to bring Myra home afternoons. We were just friends and I began to look forward to seeing Robyn. We used to have what she called, "little talks," which consisted of her talking and me listening and trying to cover

up my hardens. She talked about music, movies and sports, but never sex. And that was exactly what I had on my mind.

Every so often sex reared its lovely head in our talks, but only in kind of a sneaky and innocent way. Like she would ask how many girls I kissed, and things like that.

Then one Saturday it got hot. She met me in a robe that reached just a hair below her pussy.

"Just took a bath," she said. "You surprised me."

I smiled because I knew I had been arriving the same time for the past two months.

After coffee and fudge cake she settled back on the couch, hands clasped behind her neck. Her legs were crossed and she smiled lasciviously at my open-mouthed stare.

"Tell me, Don," she began. "Do you have a girlfriend? I mean, is there anyone special who gets you hot?"

I got a view of tanned thigh that knocked my team socks off. I felt my cock twitch in my shorts as I stared.

"No, not really," I answered to keep her guessing.

"Have you ever got it on with a girl?" Robyn asked, uncrossing and crossing those beautiful legs. I saw dark shadows at the juncture of her plump thighs and won-

dered if I was looking at her pussy. When I turned my gaze to her face, I was shocked to see her robe had opened a bit and I could see the twin plumpness of her tittles, in fact if I moved slightly to the left, I could see part of a pretty pink nipple peering out. She kept smiling, seemingly oblivious of how she was flashing me.

Suddenly her gaze dropped to my lap where the outline of my hard meat was clearly defined along my thigh beneath the tight chinos.

and around her thighs.

"Look, sweetie," Robyn brought me back to consciousness. I watched, trembling, as she leaned over with her back to me and her legs spread. Her head was down and her ass up. She spread her big cheeks and said, "See what I have for you, Donnie?"

I was rubbing my pants and my hand and balls hurt.

"See my asshole?" She moved closer. Her hair grew back through her crotch and all around that big pink hole.

"Well, sweetie, have you?"

"What was the question?" I stuttered.

"You're priceless. Have you ever, as you guys put it, fucked a pussy?"

"Y-e-e-s-s," I stammered as I watched her lean forward exposing those full breasts.

"Was it nice, sweetie?" She spread her legs further apart. "Was she a nice girl?" Her legs, not crossed now, were so far apart I thought I could see her pussy. "I mean she wasn't some whore, was she? I hope she was a good, wholesome girl... like me. "With that she stood up and slipped out of the robe.

I almost blacked out. Talk about an O.D., hell, this was the mother of all overdoses just to see all of her stuff so suddenly.

She posed for me and then slowly turned, arms akimbo.

"You like?" she giggled, as I stared at the jiggliest pair of jugs I had ever seen. Her nipples must have been the size of silver dollars and must have stuck out a half inch.

Her waist was narrow but she had a small roll of fat circling it. This wasn't ring around the collar; it was ring around the loveliest bitch I had ever seen. Her hips flared and her thighs just escaped being called heavy. I gasped as I took in her pussy. It was awesome. Plump, it was decorated with raven hair in a line right up to her belly button

She was spreading her cheeks so wide it must have hurt. "Put a few fingers in it, baby," she urged. It was my first time and I gingerly pushed my index finger into the hot opening, feeling the steam rise from that snatch below.

"I have a big one, so put a few more in," she giggled, shaking her buns.

I got two fingers into her shit hole with no grease or effort. What a tremendous bitch! Then she pulled my hand away and turned.

"You poor thing, you must be so hard and uncomfortable," she said sympathetically. "Why don't you slip out of those nasty clothes?" I needed no urging and was stripped in minutes. The only thing I wore was a springy hard-on and a pair of swollen balls.

"Oh, aren't you the cutie," Robyn smiled, reaching for my balls and cradling them in a warm, long fingered hand. She began to squeeze them and with the other hand she gently frigged me.

"Oh!" she screamed, pushing me back, "let me look at you, Donnie. I'm so happy we got together. I just called them by their right names?" I nodded, no, and she giggled, I mean that cock and those delicious balls." She was so happy she clapped her hands like a little girl seeing her first Christmas tree.

"I want to please you, honey," she said into my ear. "What would you like? Slip your fingers in my shit-hole,"

she whispered. "I think it's so romantic when a man does that to his lady. Now kiss me," she said and plunged her long, thick tongue into my mouth, almost choking me.

I fingered her asshole and couldn't believe the heat her hole generated. Well, some was coming from her soaked snatch too. Robyn's mouth was open so far it's a wonder, she didn't dislocate her jaw. Her tongue was like something alive as it dipped into my mouth, full of spit and

Robyn was humping, I knew she was close to releasing her cum too. Then she pulled her mouth from mine and screamed, "Come on baby, give me all you've got!"

I listened and loved the way she asked for it and I shot and shot into that slut, loving her more and more each second. I kept pumping her hole long after my cum and hardness had gone. "Stop a minute, hon," she smiled. "You'll wear that beautiful thing out. God, how

heat.

"Honey," she said, pushing back, "let's lie down and be comfortable. We have all afternoon. Myra is at her Aunt Clara's house so we can do all kinds of wicked things until nine o'clock." She slapped my balls playfully and squealed as they swung from side to side.

As I lay on my back, she put a leg on either side and mounted me. Then she smiled, her mouth still glossy from the lipstick, and reached behind her to grasp my rampant prick.

"I can't wait to sit on this lovely thing." She pushed it into her hot hole and lowered her hips on it. My cock slipped into her swampy pussy quite easily once it got past all of the meat in her labia and the hair around her steamy hole. I was moving on a sea of syrup as her hips plunged up and down.

"In and out, in and out, in and out," she giggled, as we fucked and she reached around back to grip my balls in her sticky hand. "Hon, Robyn's getting tired, why not grab my love handles and help me get all of that fucking prick."

"What do you mean?" I asked without losing a stroke and listening to that squishy snatch taking all I gave it. She put my hands on each side of her hips.

"Push and pull, Donny," she gasped. Suddenly the momentum speeded up and I could feel my cock tingle and knew it wasn't long until I shot my load, and from the way

I love you." she pulled me to her and rammed her big tongue into my mouth. I felt myself hardening. Then she leaned over and kissed my scummy cock and began to eat it like a person eats an ear of corn, nibbling on the sides.

I switched around and began to suck that meaty and wide open hairy hole of lovely Robyn's and we shot loads into each other's mouths. I knew I was in love. She was a terrific lady and I wanted her. When I saw the cum dripping out of her pussy, I licked it off and knew I truly loved this bitch.

When I told her, she said, "Keep on sucking, you bastard, and don't stop. I love you too. You're the first guy who has ever really pleased me, and I've had plenty. But now you're mine." And she sucked my balls and worked her hips as I licked her asshole.

I had Robyn for many months until that one exciting afternoon when I really fucked the bitch like a machine and she matched me stroke for stroke. At the time, her legs were up in the air and parted, a clear view of her hairy and red-lipped pussy and gaping asshole my bonus as I licked her rosebud like a man in love.

Waiting for me was that red gash with the huge clit and I couldn't wait to push my tongue, cock, or something into it. Suddenly my baby began to come and as I began to push my tongue in her juicy slice.

There's nowhere else on earth I'd rather be.

Pepe was at her girlfriend's house when she spotted her friend's brother doing some sit ups on the floor. After he finished, she told him to drop his pants and she immediately swung her blonde hair over to him and wrapped her mouth

After a quick thrust or two into her wet pussy to lube up his dick, it's straight into her small brown star. Not quite ready for the huge size and curve of his cock, she found her pleasure heightened by it, and thoroughly enjoyed the taste of his warm cum.
